Subject: RE: Community Infrastructure Levy (CIL) Rate Review Consultation (Publication of Draft Charging Schedule) (1)

Dear Alice,

Thank you for consulting Brent with regard to your CIL Rate Review Draft Charging Schedule.

Brent Council supports the draft rates and we look forward to continuing to work with Barnet in both in regard to planning and wider infrastructure planning issues.

Kind regards,

Martin

Subject: Community Infrastructure Levy (CIL) Rate Review Consultation (Publication of Draft Charging Schedule) (1)

Dear Sir/Madam

Community Infrastructure Regulations 2010 (as amended) Publication of Draft Charging Schedule Consultation

The London Borough of Barnet is undertaking a consultation on our proposal to increase the Community Infrastructure Levy (CIL) rate we charge and have published in the Draft Charging Schedule under regulation 16. This is the first review since adoption of CIL in 2013. The increased rate is supported by evidence found on the Engage Barnet website. We are contacting you to ask for your comments and representations regarding these changes

What is CIL?

Community Infrastructure Levy (the 'levy') is a charge levied by local authorities on new development in their area and is an important tool for local authorities to use to help deliver the infrastructure needed to support such development.

Under regulation 16 and 17, comments are invited from residents and businesses, voluntary bodies operating in Barnet and local business groups. We are inviting you specifically to make comment.

Consultation

The consultation will be running from 18/02/2021 until 21/03/2021. There is no requirement to reply to this letter, but you are welcome to submit any comments you may wish to make regarding the proposed CIL Charging Schedule and supporting evidence documents.

If you require assistance in accessing the documents, please enquire by emailing CIL@barnet.gov.uk or calling planning enquires on 0208 359 3000.

Your Comments
