## **Annual Review: Parents'/carers' views on their child/young person's progress and hopes for next year**

**Below are some suggestions to get you started there is no right or wrong way to complete this section.**

**What I think my child has achieved this year and what can I hope for them to achieve next:**

### **Education**

#### **Now**

- How is your child getting on at school or college?
- How would you like them to do better at college?
- What improvements have you noticed your child make this year? For example, have you noticed their reading or writing has improved? Have they achieved or nearly met their outcomes?

#### **Future**

- What would you like your child to achieve when they finish school/college?

### **Friendships**

- Does your child like socialising or meeting up with friends inside and outside of school/college?
- How are their friendships outside of school/college?

### **Outside of school/college:**

- What does your child enjoy?
- Are there activities that your child would like to be involved in or try out?

### **Being Independent:**

- What do you think your child needs to become more independent?
- What does your child think they need to become more independent?

### **Targets**

- What targets would you like your child to work on, in and outside of school or college for the next year?
