

REQUEST FOR OUT-OF-YEAR ADMISSION

Request for admission outside the normal age group

The Council believes that in general children should be educated within their correct chronological year group, with the curriculum differentiated as necessary to meet the needs of individual children, and that they should only be placed outside their normal age group in very limited circumstances.

However, parents may apply for out-of-year admission, either in a higher or lower year group. This may be appropriate, for example, if the child is gifted and talented or has experienced problems such as ill health. Requests for admission outside the normal age group will only be agreed in exceptional circumstances.

To apply for out-of-year admission to any other year group you must:

1. Submit an application for the correct year group (full details of how to apply are on our website at www.barnet.gov.uk/school-admissions)
2. Complete and submit the form below
3. Provide supporting evidence (this must include the views of the current school)

Request for summer-born child to enter a Reception class in September 2024

The parents of summer-born children can choose to delay their child's entry to school until the following year when the child reaches statutory school age and may request that their child be admitted to Reception rather than Year 1 at that time.

To apply for delayed entry to a Reception class in 2024 you must:

1. Submit an application for a Reception 2023 school place at www.eadmissions.org.uk by 15 January 2023
2. Complete the form below and attach it to your eAdmissions application by 15 January 2023
3. Attach any supporting evidence to your eAdmissions application by 15 January 2023 (for example, you may wish to include the views of the child's nursery or early years setting)

Before completing this form please read the guidance on delayed entry and out-of-year admission in our primary admissions guide at www.barnet.gov.uk/school-admissions

Parents should fully consider the impact of their child being educated with children of a different age, both within primary school and at transition to secondary school when out-of-year admission cannot be guaranteed and another request for admission outside the normal age group will be required, i.e. for admission to Year 7 rather than Year 8.

For Barnet community primary schools, all requests will be considered by the Council's Deferred Entry Panel.

For all other schools (including academies, free schools, foundation schools and faith schools) the decision will be made by the governing body for the school.

Requests for delayed admission to a Reception class at a school outside Barnet will be forwarded to the relevant local authority.

Decisions will be reached based on the individual circumstances of the child and, in the case of summer born children, evidence of their particular circumstances will be expected rather than general factors which relate to a wider group of children born at the same time.

In reaching a decision the following will be taken into account:

- the parent's views
- information about the child's academic, social and emotional development
- in the case of summer-born children, whether developmental delay is adversely affecting their readiness for school
- the child's medical history, where relevant, and the views of a medical professional
- whether the child has previously been educated out of their normal year group
- whether the child would have naturally fallen into a lower age group if it were not for being born prematurely
- the needs of the child and the possible impact of then entering Year 1 without first having attended the Reception class

The views of the head teacher will be an important part of this consideration

Admissions Team, 2 Bristol Avenue, Colindale NW9 4EW. Tel: 020 8359 7651
