Minutes of the last AGM were read and approved.

Matters arising:-

Cost of entertaining the French party - £1000 – most considered this reasonable with our current funds.

It was agreed we should contact Oliver Hazell to update the website and continue to do so using Penny's newsletters – Costs to be discussed R.P. We should also produce new membership forms from our website and place them in the libraries.

The Chairman's report was approved by 'Chelle Paice, seconded by Jeff Hillmore. The treasurer's report was approved. **The elections** for the committee then took place.

Chairman - Irene Nichols

Vice Chairman - John Hart

Treasurer - Keith Martin

Joint Secretaries - Penny Telfer and 'Chelle Paice

Membership Secretary - Penny Telfer

Committee members- Lorely Atkinson, June Burton, Hugh and Sue Rayner and Jim Paice. Other members present were invited to join the committee but declined.

AOB

No progress had been made between the cycling clubs

Jeff would ask Ruth to find out if the Alyth Synagogue choir is interested in going to Chaville – staying at the Campanile – Their AGM will take place soon. If so we should contact Marie-Alice direct to ask her to consult the local synagogue. Joint programmes are best received & perhaps a Friday night participation in the synagogue might be possible. No urgency.

Keith Martin reminded us of a further **book launch** for the Chaville Press at Artsdepot on October 27th.

Friends of Siegerland are going to North Devon – Ilfracombe for a long weekend Friday September 7th-9th cost £140 – Contact 'Chelle if interested. It was agreed that before proceeding with an exchange programme we should contact Marie-Alice. The group she brought over in May comprised some delightful people.

There followed refreshments and social discussion. We thanked the Martins for their kind hospitality.
