

A Vision for Edgware

A key objective of the Framework is to enhance and expand the retail offer in Edgware. This means providing new and better shops that will attract modern retailers to the town centre. Other town centre uses such as a cinema, hotel and restaurants can also help attract vitality to Edgware as part of a healthy evening economy. Introducing residential flats above some sites will also provide activity at different times of the day and night.

We have suggested the following long term vision for Edgware to support the delivery of the objectives for the town centre:

“Edgware town centre will be a successful and thriving place with new and expanded shops around The Broadwalk Shopping Centre integrated with Station Road and the surrounding residential suburbs by new streets and connections. Improved public space outside Edgware Underground Station will provide opportunities for markets and local events while improvements to the public realm and junctions along Station Road will make Edgware a place that people will enjoy shopping and spending time in.”
