

Your Child in Care Review Consultation Form for Young People

Listening to **children**

A Child in Care Review meeting is being held for you soon. You should have had a leaflet explaining about this meeting, if not please ask your social worker for the leaflet. This form is to help you let the meeting know what you think and what you would like to happen. Your views are very important and should be listened to. Filling out the form will help make sure this happens.

You can fill out the form yourself or ask for help if you need it. If you have any questions please ask your social worker. At the review meeting you can read out the form or ask another person you trust to do this for you.
