As you enter North London Business Park from Oakleigh Road South, there is a car park on your right. Park here for Building 4. If you are driving to Building 5, turn right at the end of this car park and continue down the hill. This will bring you to a small roundabout where you turn left. You will see Building 5 on your left and there are parking areas to the left and right and by the road side.

If you are on foot, the white building in front of you as you enter is Building 4. Turn right immediately in front of this building and you will see Building 5 on your right. The reception is at the far end of the building.

Please do not park at the roadside within the Business Park. There is space in the multi-story car park and on the terraces up the hill
