

Barnet CIViC AWARDS

2021

BARNET
LONDON BOROUGH

Welcome to Barnet's 21st Annual Civic Awards.

This year's awards are divided into three categories. There are usually only two categories: "Lifetime Achievement" and "Outstanding Service to the Community." However, this year we have all lived through an extremely difficult time, and we wanted to create a special award: "The Covid-19 Community Heroes Award." This award honours all the incredible individuals and organisations who have stepped forward to help others during this unprecedented period.

There are countless truly committed unsung heroes who quietly go about their lives week in week out, consistently dedicating their time and energies to others, in order to make their lives better. These individuals voluntarily contribute to our great Borough, and it is wonderful to be able to acknowledge just a few of them with an award.

I am also very grateful to the many people who spent their time and took the opportunity to nominate worthy individuals and groups for these awards.

Councillor Caroline Stock The Worshipful the Mayor of the London Borough of Barnet

Introduction

After the great success of our virtual Civic Awards ceremony and booklet last year, we were thrilled with the plethora of nominations across the new range of categories. These spotlight some of the amazing people we have in Barnet who make a massive impact on making our Borough the safe, well run and family friendly place we all love to call home.

This year we introduced a new category to recognise those residents who stepped up in response the Covid-19 pandemic and indeed we were rewarded with a litany of wonderfully touching stories of people making a huge impression locally and others who had an influence across the whole borough. I hope you enjoy learning about these outstanding individuals as much as we did.
