The Local Government Pension Scheme Regulations 2013

How does the main section work?

There are two sections in the LGPS – the main section and the 50/50 section. The main section is where you pay normal contributions and get your normal pension build up. In the 50/50 section you pay half your normal contributions and build up half your normal pension. Regardless of which section you are in you get full life assurance cover, full ill health cover and full survivor benefits in the event of your death.

You can elect to move from the 50/50 section to the main section at any time. An election to re-join the main section must be made in writing to your employer. This form can be used as your election. You will be moved to the main section from the next available pay period after your employer receives your signed election.

If you have more than one job in which you are contributing to the 50/50 section you can elect to re-join the main section in one, some or all those jobs.

If you are in the LGPS with more than one employer, a separate election form must be completed and returned to each employer where you wish to re-join the main section.

How long can I remain in the main section?

You can remain in the main section for as long as you are in employment that qualifies you for membership of the scheme and are under age 75.

At any time whilst you are in the main section you would have the right to choose to move back to the 50/50 section of the scheme. You would need to make an election to your employer to move back to the 50/50 section and an election form to do so can be obtained from Capita. You would be brought back into the 50/50 section from the next available pay period after your employer receives the completed election form and you would then start to again pay half your normal contributions and build up half your normal pension during the period you are in that section.

Returning the completed form

The completed election form should be returned to your employer's Payroll Section or Human Resource department.

It is important that you fully complete this form. If it is incomplete, or you do not provide sufficient detail for your employer to identify the job(s) in which you wish to re-join the main section, the form will not be accepted as a valid request and will be returned to you for clarification.

Purpose for which this form will be used

This form, once completed and returned to your employer's Payroll Section or Human Resource department, will be used to cease your active membership of the 50/50 section of Local Government Pension Scheme, and commence deductions of your full pension contributions. The form will be retained as a record of your election to re-join the main section of the Local Government Pension Scheme in the job or jobs you have indicated.
